I am so glad you asked me to come to Brownies, Sarah. It is really fun.
I knew you would like it.
So why are we called Brownies?
We are named after the fairy folk called Brownies who always helped people.
Is that why we do good turns?
Yes - a brownie should always look for ways to help people.
Got that – now what is a Sixer?
A Sixer is a leader of a Six group. She helps us to do activities.
And so the Seconder is her helper.
I'm going to show my unit how helpful I am so I can become a Sixer.
I could be your Seconder. Shall we start being helpful straight away?
Yes let's. We'll pick up dry sticks for the campfire.
Once a Brownie...
...always a Brownie!
