

Explore Brownies - Suggested Term Plans

This document is designed to give you and your Explore Brownie a suggested plan for completing activities. You and your Explore Brownie can choose to follow this, or choose their own path.

The term plans are based around completing enough activities to earn a badge and consist of 6-8 Discover Activities, 1 Sunshine Badge, and 1 Whānui Badge OR 1 Interest Badge per term, although they may complete activities towards other badges as well. All activities are aimed at completing badges, giving Explore Brownies the best opportunity to earn their Gold Koru.

The term plans give the right amount of activities that an Explore Brownie needs to earn a badge which leaves 50+ activities they won't have completed. While these aren't a requirement to complete they are welcome to complete them as extras.

Each term is based on ten weeks of activities with three weeks of catch up time for missed activities, extra activities or a break. You may not be able to do every week so this gives the flexibility to miss a week if needed.

Term one refers to the first term from when you subscribe, not the first school term.

BADGES EARNED EACH TERM

Term One

- Becoming a Brownie
- Take It Outdoors

Term Two

- Keeping Safe
- ANZAC Heritage
- Dog Safety

Term Three

- Junior Chef
- STEM Fun
- Green Discover
- Green Koru
